Cheerio

Programming Languages Accepted

The Cheerio Code Judge accepts:

- o Java
- o Python
- o C++

Programming Languages Accepted

The maximum number of people allowed in a team is 5.

Online Sources

Use of sources on the Internet is limited solely to official documentation.

See the hyperlinks below for:

- o Java
- o Python
- o [C++](C++)

Submission Attempts

Feedback for submissions will have 3 possible messages.

- o AC (Answer Correct)
    - o Answer matches input, output, time and memory requirements
- o TLE (Time Limit Exceeded)
    - o The submitted solution exceeded the time limit given by the question
- o MLE (Memory Limit Exceeded)
    - o The submitted solution exceeded the memory limit given by the question

- o WA (Wrong Answer)
    - o The submitted question does not conform to the required input and output.

Solutions will also be limited to 1 solution per minute.

DDOS Attempts

Any attempt to DDOS the platform will result in an immediate disqualification and a permanent ban from any future contests. It will also warrant a serious conversation with Mr. G.

Red Ball Rule

No red balls. Don't ask why.

Enjoy the contest!
